The Visa International Service Association (USA) provides banks with the opportunity to issue Visa payment cards. Issuing banks can set limits on issuing Visa cards. Contact banks for information on the conditions of issue and maintenance of Visa payment cards.

This program is organized by "Universal Card Corporation" LTD (identification number: 202461406, registered address: 71 Vazha-Pshavela Avenue, Tbilisi). The organizer's decisions on all issues concerning these special offers shall be considered final and binding upon all participating Visa Premium cardholders. "Visa International Service Association" (United States of America) authorizes commercial banks to issue Visa payment cards. Issuing banks may set limits and restrictions on Visa cards they issue.
